Denise discusses why the First Focus Reading System produces results in teaching children to read, see [Testimonials](#) for more...

Free Reading Demonstration - 45 minutes

We are conducting a series of Free Reading Demonstrations of the First Focus Reading program on a weekly basis in Mountain View, San Jose and San Mateo, CA. By the end of the 45 minute session, we will have progressed to the point where the child is reading words based on the First Focus Phonics Chart system. We will provide the parent who volunteers their child for the session with the lesson plan to continue teaching their child to read.

Free Reading Demonstration - 45 minutes

Mountain View, CA (Wednesdays)

September 15, 2010 4:00 PM

September 29, 2010 4:00 PM

October 13, 2010 4:00 PM

San Jose, CA (Saturdays)

September 11, 2010 4:00 PM

September 25, 2010 4:00 PM

October 9, 2010 4:00 PM

San Mateo, CA (Thursdays)

September 16, 2010 3:30 PM

September 30, 2010 3:30 PM

October 14, 2010 3:30 PM

[Register](#)

The demonstration will work with a student who know their ABC's and most of the consonant sounds, but cannot

read words or can read only a few words. The demonstration is conducted with children in kindergarten or first grade.

If you are interested in having your child taught in a reading demonstration, please [click here](#) to Volunteer.
